

As a leading China-based manufacturer, we specialize in producing high-end, contemporary wedding band sets for jewelry retailers and wholesalers worldwide. Our featured product combines a robust 8mm black tungsten ring with a complementary ice-patterned pure titanium ring, creating a striking and cohesive set for couples. The black tungsten offers exceptional durability and a modern matte finish, while the pure titanium ring features a unique "ice" texture pattern, achieved through precision machining, for a sophisticated and stylish contrast. Designed for the discerning market, these bands appeal to customers seeking modern, gender-neutral designs. We support bulk OEM/ODM orders, offering customization in sizing, finish, packaging, and minor design adjustments to align with your brand identity. All our jewelry is crafted with certified materials, ensuring consistent quality, comfort, and long-lasting wear. Partner with us for reliable supply,

**competitive pricing, and exceptional
manufacturing expertise.**
