Storage capacity: It is recommended to connect to the app and sync data every day. The ring can store up to 15 days of data.

Storage capacity: It is recommended to connect to the app and sync data every day. The ring can store up to 15 days of data, depending on the type and frequency of use.

Product weight: about 5.0 grams

Battery capacity: Ring 20mAh

Battery life: 3 to 5 days, depending on frequency of use

Charging method: Use the provided charging cable (USB rated 5V)

Luminescence sensor: LED is in the visible color range, safe and user-friendly

Connection method: Low power Bluetooth 5.0

Software program updatability: Updates through software applications

Software compatibility: App store, Google Play

Waterproof level: IPX8

In the fast - paced tech era, smart wearables are everywhere. Now, the [smart ring](#) emerges, blending technology and style to lead a new lifestyle trend.

Compact Body, Mighty Functions

Despite its small size, the smart ring packs a punch. Equipped with advanced sensors, it monitors vital health metrics like heart rate, sleep quality, step count, body temperature, and stress levels in real - time. All data syncs wirelessly to your phone, helping you manage your well - being. During workouts, it offers instant exercise advice, and at night, it analyzes your sleep for better rest.

Beyond health tracking, it provides an innovative interactive experience. Thanks to built - in accelerometers and gyroscopes, it recognizes your gestures. Shake to play music, tap to answer calls, or use unique gestures to control smart home devices. This touch - free control makes daily life more convenient.

Why Our Smart Ring Stands Out

Powerful and Customizable: Our ring goes beyond basics. It offers personalized modules for fitness, smart home management, etc. With medical - grade algorithms, health data is highly accurate, even alerting to potential issues like sleep apnea.

Fashion - Forward Design: We know it's both tech and accessory. Made of top - quality materials with fine craftsmanship, it comes in modern and retro styles, suiting all tastes.

Comfortable Wear: Ergonomically designed, it fits fingers perfectly. You can wear it all day without discomfort.

Backed by Strong Factory Strength

Advanced Equipment: Our factory uses state - of - the - art production gear, ensuring high - precision manufacturing from start to finish. Automated chip - soldering equipment, for example, boosts quality and reliability.

Strict Quality Control: Quality is key. We have a rigorous system, checking every step from raw material sourcing to final product testing. Only top - tier products reach the market.

Expert R & D Team: Our team of pros is constantly innovating. They've solved tough tech problems like battery life and sensor accuracy, making our smart ring a cut above the rest.

Choose our smart ring for a blend of tech and style, and embrace a new way of life.
