About us

Trusted Jewelry Manufacturing Partner Since 2002

Established in Chang'an, Dongguan, QL Jewelry has been a reliable manufacturer and exporter of fine jewelry since 2002. Specializing in tungsten carbide, ceramic, stainless steel, titanium, black zirconium, Damascus steel, and Timascus jewelry, we integrate advanced materials with precise craftsmanship to support global OEM/ODM partners. With a factory-owned model and full in-house production, we ensure cost efficiency and consistent quality for every order.

Precision Production with Certified Quality Control

Our 1,300-square-meter facility houses 80 skilled technicians who follow strict quality control protocols from raw material selection to final inspection. With mature R&D and design capabilities, QL Jewelry develops trend-responsive, technically refined products while maintaining a commitment to "zero complaints and zero returns." We are equipped to support brand-level quality expectations with customized solutions and consistent lead times.

Scalable Supply with Fast, Flexible Delivery

With over 100,000 units of bestselling designs in stock and a strong production cycle, we accommodate both small and bulk orders with ease. Our lean inventory management enables 3-day shipping for core styles and supports low MOQ requirements. Our sales and support teams operate 24/7 to ensure responsive communication, from quotation through to post-delivery service.

Global Service with Commitment to Growth

Trusted by clients across Europe, North America, and Asia, QL Jewelry's international service network is built on long-term partnerships, technical transparency, and client success. While developing sustainable practices, we prioritize reliable logistics, multilingual support, and local compliance knowledge. Whether launching a new brand or scaling an existing line, we're ready to be your long-term production partner.

FAQ

1. Who are we?

QL Jewelry is a manufacturer and trader established in 2002, specializing in the research, design, development, and production of various types of jewelry, including tungsten carbide, high-tech ceramic, stainless steel, and more.

2. How can we guarantee quality?

We produce all products in our own factory, employ highly skilled workers, and implement strict quality control processes aiming for zero complaints and zero returns.

3. What can you buy from us?

Our product offerings include tungsten carbide rings, ceramic rings, stainless steel jewelry, titanium pieces, black zirconium items, Damascus steel jewelry, Damascus rings, and more.

4. Why should you buy from us, not from other suppliers?

We offer favorable pricing through in-house production, maintain a large inventory for quick delivery, provide expert OEM & ODM services, and have a professional sales team available 24/7.

5. What services can we provide?

Our services encompass OEM & ODM customization, professional design and R&D, timely delivery, and comprehensive after-sales support.
