It can be plated in different colors, original silver, black and blue are the most popular colors. it is loved by couples and the best gifts for Valentine's Day.

Tungsten carbide can be made into tungsten pendants to enjoy a unique style. Because tungsten is one of the heaviest metals in the world, it is rarely made into long necklaces. However, tungsten is the best choice for tungsten pendants. Tungsten pendants are so modern and unique. Classic, clean and durable is what people say about this tungsten carbide pendant. It features smooth clean edges, a mirror finish. The hardness is close to natural diamonds and shiny like mirror, never wear out, never fade, never scratch, and it has the advantage of being able to withstand mechanical shocks. Tungsten pendants have so many advantages that make it favored by many young people.
